About You

Do you consider yourself exceptional? The opportunity is here if you're ready for it: work with the industry's top talent on dynamic, challenging projects for the North American mortgage and home inspection industry and help reinvent the industry. We take great pride in the work we do and the talented people who work with us. We're always looking for highly skilled, driven people who value a collaborative, open environment and a flexible, professional culture.

About Real Matters

Real Matters is the leading provider of property information services in North America. It fuses unique data gathered from a network of more than 18,000 field agents with the technological power of its cloud-based **redihive™** environment to propel the next generation of businesses that provide insight into residential and commercial properties. The organization has its Canadian head office in Markham, Ontario as well as a U.S. office in Chicago. Additional information about Real Matters is available at www.realmatters.com.

Responsibilities

Reporting to the Controller, the Accounting Manager is a dynamic and challenging position. He/She will function in a multi-faceted role that offers the opportunity for career growth, intellectual stimulation, and creative problem solving.

Responsibilities will include, but not be limited to:

- Day-to-day management of payables, receivables and other accounting processes for the corporate entity and multiple subsidiaries;
- Managing the month-end close process, including preparation of financial statements and management reports;
- Monitoring and complying with all local, provincial and federal reporting requirements in Canada and all local, state and federal reporting requirements in the US;
- Facilitating the annual audit process;
- Managing and developing the accounting staff;
- Monitoring and providing feedback on the integration of data from various operational sources to the accounting system of record.

Skills and Expertise Required:

The ideal candidate will have a Canadian accounting designation with a minimum of 5 years experience managing an accounting department. You are a strong team player who elevates the performance of those around you. You have proven experience in all areas of finance, including receivables, payables, payroll, accounting policy and financial reporting. The Accounting Manager will be expected to contribute to cross-functional initiatives as a finance subject matter expert, and to work with team members from a variety of disciplines and operational areas. Experience with Microsoft Dynamics (Great Plains) is an asset.

Please email your resume to careers@realmatters.com and make sure to include the JOB TITLE "Accounting Manager" in the subject of your message. We thank you for your interest and look forward to hearing from you!

***Please note that ONLY QUALIFIED CANDIDATES will be contacted for this particular opportunity.**
